25X1 8. [ ] Spoke with Becky Walker, on the staff of Representative Paul Rogers (D., Fla.), about a letter from a constituent requesting assistance in contacting a [ ] an Agency employee, in connection with a legal matter. [ ] an overt employee, said he would contact the constituent's attorney, whose address and telephone number I provided him. In addition, I gave Miss Walker [ ] local address and advised her that he would contact the attorney. She said this was the information she needed and no further action was necessary.

25X1A [Szymanski said he had given us the wrong name when he called earlier] and that we would arrange an interview, if it was determined that we had an interest after reviewing the forms. Szymanski felt quite sure that we would be interested in [ ] commenting that the Senator had spent over an hour personally with him and was so impressed that he wanted to hire him for his office. [ ] OP, has been advised.

25X1 10. [ ] Talked to Chairman Lucien Nedzi, Intelligence Subcommittee, House Armed Services Committee, regarding his interest in Agency operational activities in the U.S. Nedzi said he would like the full Subcommittee briefed on this subject, probably in mid-February after his return from his upcoming European trip. At the same time he will probably want a general round up of recent intelligence items.

25X1 11. [ ] Talked to Senator Milton Young whom I briefed on recent developments regarding Chinese strategic missiles, Soviet naval construction, Soviet military supplies being provided Syria, and the military situation in South Vietnam.

In response to my question, Senator Young thought it would be useful for the Director to talk privately with Chairman McClellan prior to any meeting of the Intelligence Subcommittee on the matter of Agency Reserves. He thought it might be useful if Mr. Schlesinger accompanied the Director on this occasion.
